The August 28, 2008 Decision on Petition indicates that the original Petition to Revive did not satisfactorily show that the following delays were unintentional:

- 1) Delay in reply that originally resulted in the abandonment; and
- 2) Delay in filing an initial petition pursuant to 37 C.F.R. 1.137(b).

Applicant has herein enclosed declarations by the Applicant's former firm, the Applicant himself, and the Applicant's current firm which collectively show that the above delays were unintentional. Applicant has also enclosed the executed Power of Attorney for the current firm.

Applicant invites the Patent Office to contact the undersigned counsel if any further questions remain.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Mail Stop Petition, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450
